

Rely on strong protection to keep your business moving.

### Covering the unexpected.

Our business auto coverage protects common risks businessowners face who own vehicles, including:

- Covering a total loss to your vehicle
- The liability from your vehicle hitting someone or something else
- Damage caused by another driver who is uninsured

### Extend your protection.

#### EXPANDED TOWING

We can provide this coverage (through purchase only) and increase the limit to cover towing, jump starts and minor roadside repairs.

### Setting the standard in business auto protection.

With Nationwide, these core coverages come standard:

#### AUTO LIABILITY

Protects against liability from bodily injury or other damages created by use of your vehicle.

#### COMPREHENSIVE AND COLLISION COVERAGE

Covers damage to your business vehicles in the event of weather-related damage, or from hitting another vehicle, among other things.

#### UNINSURED MOTORIST COVERAGE

Can help cover your vehicle in the event that another driver, who is uninsured, hits your vehicle.
