

Rely on strong protection to keep your business moving.

Covering the unexpected.

Our business auto coverage protects common risks businessowners face who own vehicles, including:

- Covering a total loss to your vehicle
- The liability from your vehicle hitting someone or something else
- Damage caused by another driver who is uninsured

Extend your protection.

EXPANDED TOWING

We can provide this coverage (through purchase only) and increase the limit to cover towing, jump starts and minor roadside repairs.

Setting the standard in business auto protection.

With Nationwide, these core coverages come standard:

AUTO LIABILITY

Protects against liability from bodily injury or other damages created by use of your vehicle.

COMPREHENSIVE AND COLLISION COVERAGE

Covers damage to your business vehicles in the event of weather-related damage, or from hitting another vehicle, among other things.

UNINSURED MOTORIST COVERAGE

Can help cover your vehicle in the event that another driver, who is uninsured, hits your vehicle.
