

High-performance business insurance.

Keep your shop running smoothly.

From oil changes to engine rebuilds, your customers rely on your dedicated service to keep their vehicles on the road. We want to bring that same attention and care to protecting your business. Auto service insurance from Nationwide can help you manage business disruptions and daily risks to minimize your losses.

Covering the unexpected.

Part of auto repair involves making sure vehicles are safe from unexpected problems. Our business protection can provide the same service for your shop. Auto service insurance protects your business from common risks you face, including faulty repairs or installs that lead to financial liability, damage to a customer's vehicle that's in your care, power outages that down systems or equipment, damaged buildings or stolen equipment.

Extend your protection.

EQUIPMENT BREAKDOWN AND UTILITIES COVERAGE:

Helps cover equipment, credit card systems and car lifts, should they break down, including instances where the utility provider is at fault.

EMPLOYEE TOOLS AND EQUIPMENT:

Helps cover the cost of fixing or replacing broken or stolen equipment.

AUTO SERVICE PLUS:

Increases protection limits for things like replacing locks, portable tools and equipment, and pollutant cleanup and removal.

Setting the standard in business protection.

With Nationwide, these core coverages come standard.

PREMIER BUSINESSOWNERS

LIABILITY INSURANCE:

Helps cover medical and legal fees if, for example, a customer slips and falls in your store or if you sell or install a defective auto part.

BUSINESS UMBRELLA INSURANCE:

Helps protect you when your insurance doesn't fully cover your financial liabilities.

GARAGE KEEPERS LIABILITY INSURANCE:

Covers damages to or theft of vehicles that are in your care.
