

Get the power of protection.

## Minimize risks and keep your business charged up.

You keep the lights on by supervising electrical work and its related risks. At Nationwide, we understand the types of risks you face and can help you manage common business disruptions so work flows continuously.

## Covering the unexpected.

Nationwide contractors insurance provides coverage ranging from pollutant and debris removal to protection for faulty repairs or installs, installation materials and lost equipment — whether rented, leased or owned — and work vehicles damaged during business use.

## Extend your protection.

### **CONTRACTOR ERRORS AND OMISSIONS**

**ENDORSEMENT:** Helps cover the cost of accidental mistakes in repairs or installations.

**EQUIPMENT COVERAGE:** Fixes or replaces owned, leased or rented equipment on-site or in transit.

**BUSINESS UMBRELLA:** Extends coverage if your policy does not fully cover losses or financial damages.

**COMMERCIAL AUTO:** Covers the car, truck or van you may use on job sites.

### **CONTRACTORS ADVANTAGE, CONTRACTORS ADVANTAGE PLUS OR CONTRACTORS ENHANCEMENT**

**ENDORSEMENT:** Adds coverage or increases limits for things like contractors' equipment, installation or property in transit.

## Setting the standard in business protection.

With Nationwide, these coverages come standard.

### **PREMIER BUSINESSOWNERS LIABILITY**

**INSURANCE:** Helps cover legal expenses if, for example, you are sued for property damage or construction defect claims.

### **INLAND MARINE CONTRACTORS**

**EQUIPMENT:** Covers mobile machinery and equipment in any location or while in transit.

Learn how I can help protect your business.
