

Protect your growing business.

We'll help make sure you're covered.

Lawn and garden businesses like yours face unique challenges. Common risks like equipment breakdowns, theft and damage to customer property can slow or halt business development. At Nationwide, we can help you manage everyday business disruptions like these and minimize losses so you can stay focused on growing your business.

Covering the unexpected.

Nationwide lawn and garden services insurance helps if your equipment is stolen from jobsites or if your work vehicles are damaged. Injury claims are also covered, including mower-related accidents. For added security, protect your business with pesticide and pollution coverage.

Extend your protection.

RISK MANAGEMENT TEAM:

Provides you with valuable safety information, such as how to avoid heatstroke.

PESTICIDE APPLICATION AND LIMITED POLLUTION COVERAGE:

Helps cover the cost of damage and cleanup related to pollutants and pesticides.

EQUIPMENT BREAKDOWN AND UTILITIES COVERAGE:

Helps fix or replace equipment such as mowers, including instances when a utility failure causes damage to your equipment.

Setting the standard in business protection.

With Nationwide, these core coverages come standard.

PREMIER BUSINESSOWNERS LIABILITY INSURANCE:

Helps cover legal and medical expenses if, for example, a mower-related injury occurs at your jobsite.

COMMERCIAL AUTO:

Covers vehicles you use to travel to jobsites, as well as snowplows.
