

Running a business
can be hard.
Protecting it is easy.

Protect your business in-store and online.

Some of the most common risks to retail businesses can be the most difficult to see coming. We understand that you need to protect your business from theft, e-business data breaches and even injuries occurring in your store. Nationwide can help you manage these situations and minimize your losses with our retail insurance.

Covering the unexpected.

Our retail insurance is there for you and your business if customers hurt themselves on your property, buildings are damaged from wind, hail, or fire, inventory is damaged or stolen, or you need help complying with OSHA regulations.

Extend your protection.

CYBER LIABILITY INSURANCE:

Helps you quickly respond in the event of a data breach, including notifying your customers and paying for the cost of financial damages.

LOSS CONTROL TEAM:

Provides tips on how to prevent losses and how to keep your operation in compliance.

RETAIL PLUS:

Adds coverage or increases limits for things like lock replacement, replacing labels on damaged products and unauthorized business card use.

Setting the standard in business protection.

With Nationwide, these core coverages come standard.

PREMIER BUSINESSOWNERS LIABILITY INSURANCE:

Protects you from bodily injury or property damage claims made against you or your business.

PREMIER BUSINESSOWNERS PROPERTY INSURANCE:

Helps cover buildings and inventory damaged from various types of losses such as fire, wind or hail.

BUSINESS INTERRUPTION AND EXTRA EXPENSE:

Helps cover business income that has been lost due to the suspension of your operations resulting from occurrences such as property damage repair.

Learn how I can help protect your business.
